

KING TIDES ARE THE HIGHEST
TIDES OF THE YEAR AND
CAN RESULT IN STREET FLOODING.

Road closures may occur as a result of flooding.
Sign up for text alerts at: balharbourfl.gov/alerts

Avoid driving thru flooded streets as it may
cause your car to stall, or unseen objects below
the surface may cause damage to your car.

Wash your car thoroughly if it does come into
contact with flood waters as they are high in
salinity which could cause damage.
