Virtual Tour: The Smithsonian

Today we are touring the The National Museum of Natural History in Washington, D.C., to learn about Ancient Egypt.

Some tips:

- To navigate between adjoining rooms in the tour, click on the blue arrow links on the floor, or use the navigation map in the upper right of the presentation screen.
- Look for the camera icon which gives you a close-up view of a particular object or exhibit-panel.
- Try zooming in as some of the images are stitched together from individual pictures in order to create very high resolution gigapixel images.
