## Boredom Busters 42nd Edition

With all of us now finding ourselves with more time on our hands, Bal Harbour Village would like to share with you a few recommendations to explore new experiences, learn about something new or delve into a favorite past-time- all without having to leave your home! Based around our pillars of Arts & Culture, Culinary, Wellness, Fashion and Lifestyle, which all form part of The Bal Harbour Experience, we will share ideas and links for you and your family to explore.

The following Bal Harbour restaurants are open for dine-in, takeout and delivery:

## Kids Activity: Melted Crayon Planets

There are 8 planets in our Solar System: Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus, and Neptune. Did you know that Jupiter is the largest planet and Mercury is the smallest? We live on the planet Earth.

Create your own planet using melted crayons and see how it shines!

## Make Ice Cream, in a Mason Jar

If you are over quar-baking, iced confections might be the next thing. You don't even need a fancy ice-cream maker. All you really need is heavy cream, a Mason jar and strong forearms. It's a fun at-home project and so easy a child could be in charge.

## From our Unscripted Museum Partners

This week, Miami-Dade County, and the State of Florida approved a Phase 1 reopening of the county. Following strict guidelines and protocols, cultural institutions will be allowed to reopen their doors to the community.

We will be giving you updates on the reopening of each individual Unscripted partner museum - in the meantime - please continue to enjoy their virtual programming.
