UPDATE #28 COVID-19

April 7, 2020 (5:00 PM)

The Village Emergency Operations Team is working hard to ensure the health and well-being of the community. We continue to monitor the latest information on COVID-19 (Coronavirus), and strive to share the most current information available:

New Village Emergency Orders

The Village issued the following orders today:

Order No. 08-20: This order extends the closure of commercial lodging establishments until May 1, 2020. Visit our website to view the [full order](#).

Order No. 09-20: This order places restrictions on construction sites, especially occupied buildings. Visit our website to view the [full order](#).

Frequently Asked Questions (FAQs)

We have also compiled a list of frequently asked questions from residents of Bal Harbour Village, for your convenience, regarding the Coronavirus. A copy of the "FAQs" can be downloaded at <https://bit.ly/3aPSGQA>.

Social Distancing In Bal Harbour

Kindness is Contagious Too! If you are out for a walk, a jog, or just to enjoy nature for a bit, please remember to observe the CDC social distancing standards & maintain a distance of 6 feet from others. A copy of the new signs placed throughout the Village is attached.

The CDC recommends wearing cloth face coverings in public settings where other social distancing measures are difficult to maintain (e.g., grocery stores and pharmacies), especially in areas of significant community-based transmission.

Information from the Florida Department of Health (DOH) and Center for Disease Control (CDC)

If you think you have been exposed to COVID-19 and develop a fever and symptoms, such as cough or difficulty breathing, the Florida Department of Health (DOH) recommends the following in order to be tested:

- Call the DOH Epidemiology Department at (305) 470-5660 for guidance, or
- Contact your primary care physician, explain your symptoms and whether or not you have been in contact with someone who has tested positive for COVID-19 over the past 14 days, or
- Contact an urgent care facility or hospital emergency room, explain your symptoms and whether or not you have been in contact with someone who has tested positive for COVID-19 over the past 14 days.

If you are sick or have been diagnosed positive, or are caring for someone who is sick, please follow these steps to help prevent the spread of Covid-19.

- **Stay home.** Do not leave your home, except to get medical care. Do not visit public areas.
- **Stay in touch with your doctor.** Call before you get medical care. Be sure to get care if you have trouble breathing, or have any other [emergency warning signs](#), or if you think it is an [emergency](#).
- **Avoid public transportation.** Avoid using public transportation, ride-sharing, or taxis.
- **Stay away from others.** As much as possible, you stay away from others. You should stay in a specific “sick room” if possible, and away from other people in your home. Use a separate bathroom, if available.
- **Wear a facemask if you are sick.** You should wear a facemask, if available, when you are around other people (including before you enter a healthcare provider’s office).
- **Follow health care instructions.** Follow instructions from your healthcare provider and local health department. Your local health authorities may give instructions on checking your symptoms and reporting information.

More information on what to do if you think you have been exposed, if you are sick, or if you have tested positive for COVID-19 can be located on the CDC’s website at <https://bit.ly/2UEFkB5>. You may also reach the Florida Department of Health COVID-19 hotline at (305) 324-2400 or 1-866-779-6121.
