

# BAL HARBOUR

- VILLAGE -

OFFICE OF THE VILLAGE MANAGER

LETTER TO COUNCIL

NO. 227-2016

To: Mayor Gabriel Groisman and Members of the Village Council  
From: Jorge M. Gonzalez, Village Manager   
Date: December 30, 2016  
Subject: **Installation of Village-wide Informational Signage**

The purpose of this Letter to Council (LTC) is to inform you that the first phase of the village-wide informational signage installation has begun throughout the beach and jetty. The installation will continue until all signage is completed. All old signage along the beach will also be coming down as the new signs are installed. The design, creation and installation of this signage was approved by the Village Council by Resolution at the October 31, 2016 Council meeting.

The signs currently being installed include the following:

- Beach Welcome/Rules
- Jogging/Walking/Bicycle path
- Bicycle Path Rules
- Rip Current Warning
- Beach Warning Flags
- Swim At Your Own Risk
- No Fishing Along Wall (near Jetty)
- Address Signs for the rear of all Residential Buildings (on the beach path)

The installation of the new signage and the removal of the old signs is being done on days and times that are the least impactful to our residents and guests on the beach.

Should you have any questions or need any additional information, please feel free to contact me or Ramiro Inguanzo.
