Re: Officer George Waisman

Dear Mr. De la Rosa:

It is not every day that people take the time to praise others. Usually, people take the time to complain, but I have chosen to write this letter to commend Officer George Waisman for his outstanding actions:

My friend and I were driving on Collins Avenue at Bal Harbor section when we got a flat tire. We had no choice but to pull over to the side on such very busy street. Immediately Officer George Waisman showed up and took the necessary steps to our safety as well as the safety of other vehicles.

He, along with another civilian that was driving by, assisted us and advised us as to what to do next.

George Waisman was a responsible, professional, and caring Police Officer. He went above and beyond the call of duty. My friend and I would like to extend our sincere gratitude to Officer George Waisman for a job well done.

In an era where Police Officers are being targeted and disrespected, we believe it is imperative to give credit where credit is due.

Please note that Officer G. Waisman is well appreciated for what he did for us and for what he does every single day. **Kudos to Officer George Waisman.**

Sincerely,

2 very grateful citizens of Miami.
