LETTER TO COUNCIL

NO. 108-2017

To: Mayor Gabriel Groisman and Members of the Village Council
From: Jorge M. Gonzalez, Village Manager 
Date: June 2, 2017
Subject: **Unscripted Bal Harbour Art Access Program adds the Frost Museum of Science**

The purpose of this Letter to Council (LTC) is to announce that we have added the Frost Museum of Science to our Unscripted Bal Harbour Art Access program effective June 1, 2017. We have also recently added the YoungArts Foundation to our group as well. This brings our total number of cultural institutions to 17. As you know, the Unscripted Bal Harbour Art Access program provides Bal Harbour residents and guests with free year round admission to South Florida's finest cultural institutions, as well as access to curated art tours and events. We are currently working with the Deering Estate and hope to be able to include them in our program very soon as well. We will begin our communication efforts to let the community know about these latest additions immediately. Below are the details regarding the Frost Museum.

The Phillip and Patricia Frost Museum of Science
1101 Biscayne Boulevard, Miami, FL 33132
Open daily from 9am-6pm
