OFFICE OF THE VILLAGE MANAGER

LETTER TO COUNCIL

NO. 176-2017

To: Mayor Gabriel Groisman and Members of the Village Council  
From: Jorge M. Gonzalez, Village Manager   
Date: November 1, 2017  
Subject: **Temporary Wall for Bal Harbour Shops**

The purpose of this letter is to inform you that construction activity relating to the installation of the New Sound Wall in the residential security district that abuts the Bal Harbour Shops property will be commencing soon.

The first activity is the installation of a temporary screened construction fence that will span from approximately the intersection of Bal Bay Drive and Park Drive, and along Park Drive to approximately the intersection of Bal Cross Drive. This will start as early as Thursday, November 2.

Once the Contractor obtains a demolition permit for the existing wall and construction permit for the new wall, construction activities will intensify and you will notice a detailed security presence along this route. We will keep you posted as we near these milestones.

Whitman Family Development anticipates that the new wall will be completed by early January 2018.
