OFFICE OF THE VILLAGE MANAGER

LETTER TO COUNCIL

NO. 027-2018

To: Mayor Gabriel Groisman and Members of the Village Council  
From: Jorge M. Gonzalez, Village Manager   
Date: February 9, 2018  
Subject: **Beach Renourishment Workshop**

The purpose of this Letter to Council (LTC) is to inform you that the Beach Renourishment Workshop has been scheduled for Monday, February 26 at 7:00 pm at the Sea View Hotel.

Like many municipalities up and down the coast, Bal Harbour is concerned about the continuing erosion of the beach sand along its shore. Bal Harbour's beach is integral to tourism, recreation and the quality of life in our Village. In December 2017, the U.S. Army Corps of Engineers completed a dredging project that included the pumping of 37,000 cubic yards of sand from the Intracoastal Waterway near the Haulover Inlet onto the Bal Harbour Beach.

At the Workshop, Village staff and representatives from Miami-Dade County and the State of Florida will discuss steps already taken to address this issue as well as future efforts to keep the beach healthy.
