Dear Manager Gonzalez:

A handwritten signature in cursive script that reads "Jorge".

I wanted to bring to your attention the high caliber of work effort and professionalism demonstrated by Bal Harbour staff listed above. Their efforts as part of the team, helped to provide a safe and efficient work environment for our Spay/Neuter for Cats on October 14, 2018.

As a result, this partnership effort resulted in a total of 26 cats being spayed/neutered, which will help reduce the overpopulation of cats in Miami-Dade County.

I am delighted to work with people who take to heart a “can do” attitude in conducting their jobs. It truly makes a difference. I wanted to let you know the caliber of these members of your staff and to express my appreciation.

Sincerely,

A handwritten signature in cursive script that reads "Sally".

Re: Director John Oldenberg and Police Chief Raleigh Flowers

Dear Manager Gonzalez:

A handwritten signature in cursive script, appearing to read "Jorge".

I wanted to bring to your attention the high caliber of work effort and professionalism demonstrated by Director John Oldenburg and Police Chief Raleigh Flowers. They coordinated with our office, handled the location set-up, and organized with Bal Harbour staff and others for outreach for our Spay/Neuter for Cats on October 14, 2018.

Due to their excellent management, this partnership effort resulted in a total of 26 cats being spayed/neutered, which will help reduce the overpopulation of cats in Miami-Dade County.

I am delighted to work with people who take to heart a "can do" attitude in conducting their jobs. It truly makes a difference. I wanted to let you know the caliber of these members of your staff and to express my appreciation.

Sincerely,

A large, stylized handwritten signature in cursive script, appearing to read "Sally".
